

(Attachment L)

(Attach copies of all executed and signed contracts with totalisator companies in effect during the proposed 2009 race meeting).

(Attachment M)

(Provide documentation to include the most recent inspection report and fire permit that the racetrack is in compliance with local fire and safety ordinances, building codes, and any current orders of the racing commissioner requiring improvements, additions, or corrections to the racetrack premises, fixtures, or equipment)

(Attachment N)

(If the racetrack is not in compliance with local fire and safety ordinances, building codes, and any current orders of the racing commissioner requiring improvements, additions, or corrections to the racetrack premises, fixtures, or equipment, then state what steps have been taken or are planned to be taken to bring the racetrack into compliance. State expected date of full compliance. If a municipality has cited the applicant or track licensee for fire, safety, or building code violations, within the past year, attach copies of the citations and state whether the alleged violations are contested or admitted. If contested, explain the basis for contesting the alleged code violations, and attach any pleading or other documentation filed by the applicant or track licensee in answer to the alleged code violations. If admitted, state whether the alleged violation has been corrected. If not corrected, state expected date of correction).
